

Petersfield Musical Festival 2012

Choral music and combined rehearsal dates

2012 Festival concerts

Saturday 10 March 2012 Denmead, Fernhurst and Petersfield Choral Societies; Southern Pro Musica.

Verdi: *Requiem* (Latin words) Ricordi edition. This is widely held by libraries. On sale at £13.95. For those wishing to buy their own, the New Novello edition ed. Pilkington (£9.95) is compatible, as it has identical pagination. Novello uses somewhat larger print, and is heavier. 10% discount on bulk orders through One Tree Books: choir secretaries/librarians are asked to collect requests from their choir and then to send a single order to One Tree Books (7 Lavant Street, Petersfield GU32 3EL Tel. (01730) 261199).

Saturday 17 March 2012 Alton, Denmead, Petersfield and Rogate Choral Societies; Richard Pearce, organ, with brass and percussion.

Dvorak: *Mass in D* (Latin words) Novello edition. The New Novello is on sale at £7.95. This can be used alongside the previous Novello edition which is more widely held by libraries. Accompanists may prefer to use the New Novello which prints the original organ part rather than a reduction of the orchestration. 10% discount on this and the other works in the programme available from One Tree Books as above.

Walton: *Coronation Te Deum*. (English words) Oxford University Press. On sale at £8.25 and available through libraries. We are doing the original version, not the 4-part edition by Simon Preston.

Parry: *I was Glad*. (English words) Novello edition. On sale at £2.75 and widely available through libraries.
